8. (Unclassified - CEA) In the absence of [] I talked to Lois DeAndres in the office of Congressman Peter Rodino (D., N.J.) with regard to their request for an Agency speaker for the Essex Catholic High School group, consisting of 150 students, at the Mayflower Hotel on March 21. I noted that we could provide a speaker but that there are certain conditions attached, basically for the purpose of avoiding publicity. After checking on the specific conditions which I mentioned, Miss DeAndres said they would have no problem in complying and they are delighted to have an Agency speaker. Mr. [] of OTR has been informed and will let us know who has been selected for this speech.

9. (Internal Use Only - LLM) Met with Mr. John H. Betz, in the office of Congressman Henry Reuss (D., Wisc.), and delivered to him certain material concerning the Agency which I promised to him yesterday. (See Journal for 6 March 1967.) I asked Mr. Betz whether he had gotten in touch with Mr. Coyne, of the President's Foreign Intelligence Advisory Board, and he said that he had not but that he had spoken with Mr. Coyne's secretary. Although Mr. Betz routinely thanked me for our help, he was decidedly defensive and noncommittal of his interest.

10. (Internal Use Only - LLM) In the absence of Congressman Roy Taylor (D., N.C.) met with Luther Shaw, Administrative Assistant, on a constituent inquiry concerning allegations by Joan Baez that CIA interfered with her public statements in Japan. Mr. Shaw was most appreciative of our suggested reply, no other written answer to the Congressman is required.

11. (Confidential - JSW) Talked to Representative Glenard P. Lispscomb regarding [] indicating that it was the Agency view, as was his, that we should await the result of the appeal. Further,
